Soviet Uranium Mining in

Bulgaria

DATE DISTR. 3 June 1948

NO. OF PAGES

NO. OF ENCLS.

25X1X

SUPPLEMENT TO REPORT NO.

1. Russian workers are employed at the uranium mines near the village of Jana, near Kremikovtzi (sic), northeast of Sofia. No Bulgarian workers

are permitted in the vicinity which is said to be guarded by a large force of secret agents. The ore is shipped to the Soviet Union.

Comment: In September 1947 it was reported that uranium was being mined near Kremikovtzi and near the town of Lon, north of Sofia.)
